# Wiper TA09

## Hydraulics, single acting

### Housing design

The dimensions  $s + c$  are dependent on the respective seal type.

### Design

- Wiper to snap in without exact fit
- Installation in American standard applications
- Housing design according to AN6231 und ANSI/B 93.35
- Pressure build-up on the back should be avoided

### Application

Brightened symbols:  
Seal only for limited use.
